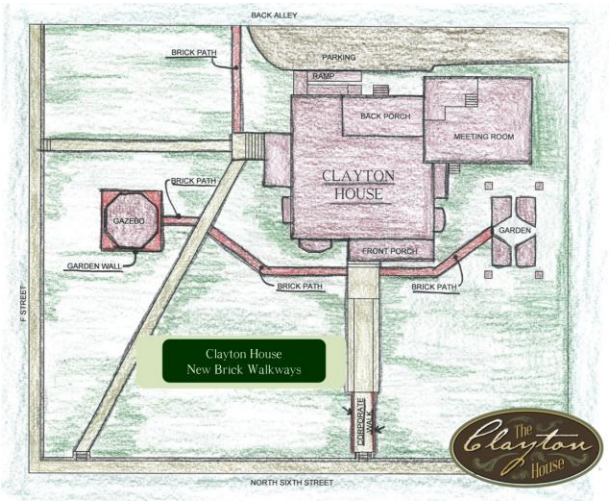
Clayton House Engraved Brick Program

Make history – and make the historic Clayton House stronger and better for future generations – by placing your message of honor, love or memory on these grounds that will be treasured for generations to come.

Your engraved brick, with your choice of wording, will be part of the appeal of a visit to the 1882 Clayton House. A community of support has preserved this authentically restored family home of the frontier federal prosecutor, W. H. H. Clayton. Be a part of that community, proudly, forever.



Honor your:
Family ◆ Friends ◆ Favorite Charity ◆ Business
School ◆ Church ◆ Civic Club ◆ Remember Loved Ones
